

Dear Customer,

We are pleased to inform you our new functionality that allows you to voluntarily freeze or block online access to your trading account.

Mode of request:

1. Email: place a request to block online access to your trading account by sending email on trade@greshma.com from your registered email ID stating your UCC code.
2. Physical Application to be submitted at nearest branch.

Process:

Upon successful validation, online access to your trading account will be frozen/ blocked on receiving request.

On receipt of request, All Pending orders will be cancelled and no new orders will be allowed to place.

You can continue to trade offline using call and trade facility or by visiting nearest branch office.

Re-enablement of online access:

Re-enable request to be sent to from your registered email ID to trade@greshma.com, after due diligence will be allowed.
